### PACIFIC MAIL CUT RATES.

SAN FRANCISCO, November 29.—The reappearance of the big freight steamers of the China Commercial Company has caused another reduction in the Pacific Mail Company's rates on merchandise and steerage passengers. When the new line began to run its steamers from the Orient by way of Manzanillo the Pacific Mail cut the rate on merchandise from \$5 a ton to \$1, and this was advanced later when it appeared that the China Commercial Company was about to quit business. The rate then was fixed at \$2. Now that the Chinese line is making more frequent trips and seems to have arranged for permanent business between the Orient and this city by way of Manzanillo, the merchandise rate has fallen to \$1 a ton. Before the advent of the new line the Pacific Mail's steerage rate was \$45, and the fare was reduced to \$10 for the purpose of shutting out the China Commercial Company. The rate went up to \$35 some time ago when the Chinese line missed a steamer or two, and now the rate stands at \$20.

### HONG KONG MARU DUE TODAY.

The S. S. Hong Kong Maru is due this afternoon from San Francisco, and will have two days later mail and news files. She will sail for the Orient tomorrow morning.

### A SAMPLE OF PROPHET DOWIE.

Elijah III Replies to Rev. Dr. Henson of Brooklyn.

"There is that dirty boy Henson (Rev. Dr. P. S. Henson of Brooklyn), whom I spanked already in Chicago, and Dr. Hillis (Rev. Dr. Newell Dwight Hillis), whom I also chastised in Chicago. I spanked him good and proper, and that's what makes him smart. I trounced him until he found it pretty hard to sit down. And that dirty boy Henson, I scraped him well, with something better than soap. Shameless liars, they are. Ah! the Pharisees say, Dowie is a fraud, look at the money he gets out of Zion."

"Well, I answer to that that I got it honestly. Some of you persons haven't anything, and that's why you growl. There is no holier in Zion. I gave \$200,000 for the schools of Zion. You mean dogs that are barking at my heels, would you have ever given \$200,000 that you know you could have kept? Why, nobody would ever have trusted you with \$200,000 in the first place."

"And you, there, who are listening, stinkpots and beerpots and druggists, don't think that you are going to be healed before you're saved. 'Some of you infernal preachers have declared that disease comes from God; nice kind of ministers, you are! Now, God being without disease, can he give disease? Answer me yes or no.' A hearty 'no' from the Zion seats greeted the appeal of the restorer. 'From whom does disease come?' again asked Elijah III. And the answer came untrillingly, again from the Zion seats: 'The devil.' 'Yes,' continued the gesticulating prophet, 'from the devil, who makes you drink and smoke and wear corsets.'

Lots of women are facing themselves to death. Isn't that the truth? Now from the women, give me an answer. Again the faithful of Zion answered: 'It is.' 'A man who drinks smells. A man who smokes tobacco stinks. Don't he?' 'No,' yelled a man in the rear of the audience. 'You are a curse! You are a curse to your wife! You are a curse to your children!'

### VICTORIA'S LETTERS.

Arthur Christopher Benson, who has been appointed the chief editor of the letters of Queen Victoria, is the eldest son of the late Archbishop of Canterbury, and while his name is not so familiar to the public as that of his younger brother, E. F. Benson, author of "Dodo," "Mammam & Co." and other popular novels, his achievement is perhaps of a soldier sort. He is a successful master at Eton, and has written some poetry of choice quality. He is well fitted for his task by his experience in editing the voluminous correspondence of his father.

To Prevent Croup, begin in time. The first symptoms is hoarseness; this is soon followed by a peculiar rough cough, which is easily recognized and will never be forgotten by one who has heard it. The time to act is when the child first becomes hoarse. If Chamberlain's Cough Remedy is freely given, all tendency to croup will soon disappear. Even after the croupy cough has developed, it will prevent the attack. There is no danger in giving this remedy as it contains nothing injurious. It always cures and cures quickly. Sold by all dealers. Benson, Smith & Co., general agents.
